

Love, Peace and Understanding will abolish NATO – the global genetic murderers of Life on Earth. Urgent case - Lybia. By D.Rietuma. 3/10/2011

Stop the NATO uranium weapons caused genetic murder in Lybia! NATO is making Lybia uninhabitable for ever, using genetic DNA damage causing weapons.

It is ongoing here in Latvia as well. The industrial military complex that is running the Nuclear Industry is the cause even of the Chernobyl disaster, that for ever contaminated our Baltic Sea, after Chernobyl, planed experiment – leaving the Baltic Sea region Peoples with the most radioactive sea in the world!

You can meet us through NationalState.INFO and BSRRW.ORG

NATO should have been abolished after the WWII, but it was left by UN to become a terrorism war machine to submit the whole world into obedience to their well planed World government, that have by radioactive Wars forced independent nations as Yougoslavia, Iraq, Afganistan and now Lybia and Japan, into admintrative slavery and genetic annihilation of Local Peoples because of the radioactivity contaminated lands left after the NATO bombings and so Fake Democracy Regimes of New World (dis-)Order Government and their systemicaly criminal organisations as World Bank and International Monetary Fond. The New World Government is in place now. They run our schools, our media networks, own our lands and rule our air and water supplies.

We in Latvia have been subordinated by structural administrative genocide – 1/3 of Latvias population is gone (emigrated, dead, non-born) in just 20 years. No State structure investigation has been started to correct that! Just new instructions how to rapidly colonise the region by the methods of administrative take-over, leaving locals with nothing! We the 20.000 years old nation of Balts have no acces to power in this country. The global financial fraud is a NWOG establishment and we the Latvians refuse to accept this imposed order, it is killing us every minute!

It will happen to You too, Lybia, if You submit to the NATO and UN society restructurisation plans of Lybia. You will be their slaves and picked of everything You had. This has already happened to us, Latvians.

Latvia's State Model – A Sect - a STALP Sect

(State's Treason Against Local People, STALP).

The administrative apparatus framework of the Latvian STALP Sect State. 9x9 imposed disorders

The first nine

- 1 For Members of Parliament can be only 1% of citizens - just partocracy members (STALP)
- 2 Laws are approved by 0.00001% of citizens – the heads of the political parties, financed fr abroad (STALP)
- 3 Laws are written by Unidroit.org and other agencies of foreign transnational corporations (STALP)
- 4 „Latvijas Banka” is a fraud, an affiliation of the ECB, a foreign private company, that created the crisis in Latvia (STALP)
- 5 Country's resources are controlled by foreign banks, the land and industries are sold to foreigners (STALP)

- 6 Indigenous Latvians in the country don't even have a designated room or building for Latvian sacred ceremonies (STALP)
- 7 Latvian People's Associations and their cultural institutions are controlled by Latvian-speaking non-Latvians (STALP)
- 8 Investment and financing are refused if aimed at development of inner market and welfare of Local People (STALP)
- 9 State courts and prison administration implements foreign laws in favour of global corporations, terrorising Locals administratively. (STALP)

The same ideologists and designers of this STALP administrative NWO genocide structures and processes run even the Military Industrial Complex, that keeps our Earth in the grip of wars and terror, approaching rapidly the point of no return – the annihilation of all Life on earth. Any time now in the case of for example strong Solar Flare, the planet can become uninhabitable due to the global electricity dependent open surface repositories of millions of tons of concentrated nuclear waste, that would be cooking for decades if its cooling is interrupted, as does Fukushima in Japan now.

Only Love, Peace and Understanding can heal the almost irreparable damage done to the Humanity and all Life forms by the power-mad NWOs global murderous terrorist organisation NATO.

WE DEMAND to ABBOLISH NATO NOW!!!

WE DEMAND to ABBOLISH NWO that has overtaken control of UN NOW!!!

Return to the Indigenous people of the world their sacral right to exercise their cultural competence of Love and Healing. We the Latvians are one of the oldest peoples of the world and we have protected and healed the world for tens of thousands of years. So have the Indians in Latinamericas, the Saamis in North Europe and many other Indigenous Peoples.

Abolish UN NWO power structure and let us create a worldwide administrative organ network that is the Net of the Heart of the World, that Loves the Local Peoples and Protects them. The culture that can heal the world is still alive in the planet's 370 million indigenous people. But be aware, the majority, the 5,6 billion who are not yet competent to Heal and Love, this may be the last chance to restore the Divine Order of Love, Peace and Understanding. Put the Indigenous into Power!

The United Nations **Declaration on the Rights of Indigenous Peoples** was adopted by the United Nations General Assembly during its 62nd session at UN Headquarters in New York City on 13 September 2007. Let it become the seed from which NWO gets abolished. **Declaration on Human Rights** is to become the Rule of Law base and the Indigenous culture - it's True Nature and Spirit, quite well embraced even in Gaddafi's Green Book.

With endless LOVE from the People of Latvia to Lybia and to the world.
